Kung Fu Quiz Assignment

Give Assignment

Kung Fu Quiz is a YouTube quiz annotator designed for teachers to create interactive and engaging quizzes using audio-visual elements, while also providing data-driven insights for monitoring student progress.

Teachers can now give quiz assignments to students from the **Kung Fu Quiz** platform by following these steps:

Go to the “Classrooms” tab and select “Assignments”.
Next, click on "Give New Assignment".

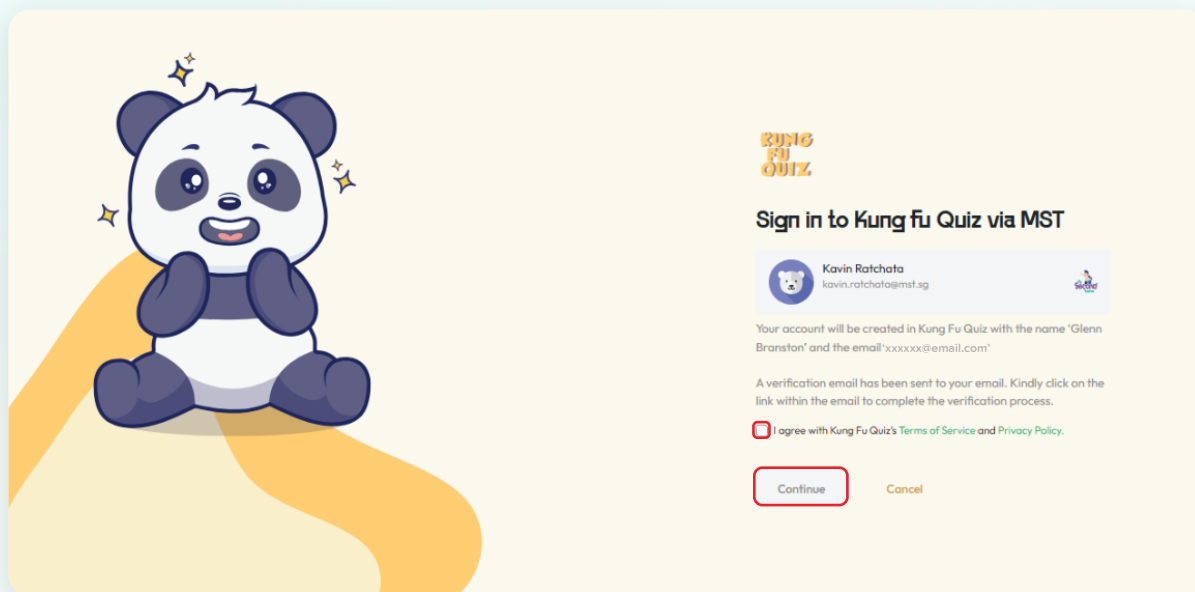

The screenshot shows the 'Give New Assignment' modal in the 'The Future School - Online Learning Platform'. The modal is titled 'Give New Assignment' and contains a search bar for assignment types. Below the search bar, there are two sections: 'MST Assignments' and 'Other Assignments'. The 'MST Assignments' section includes 'Normal Assignment', 'Self-grading Assignment', 'Normal Testpaper Assignment', and 'Ivy Assignment'. The 'Other Assignments' section includes 'Kung Fu Quiz (KFQ)'. The 'Kung Fu Quiz (KFQ)' option is highlighted with a red border. A blue dashed arrow points from the 'Kung Fu Quiz (KFQ)' option to the 'Continue' button, which is also highlighted with a red border. The 'Continue' button is located at the bottom right of the modal. The background shows the 'Classrooms' tab selected in the navigation menu, and the 'Give New Assignment' button is highlighted in the 'Open Assignments (0)' section.
