Feature Update Release

Class Group

For schools that organise classes or grades into sections or shifts, all related information has now been added into a new row, **Class Group**.

This update appears on the **Class**, **Student**, and **Teacher** reports.

Class Report

Leaders can use the 'All Class Groups' filter to search for any class information.

The screenshot shows the 'Class Report' interface. At the top, there is a search bar labeled 'Search Class' and several filter dropdowns: 'All Subjects', 'All Grades', and 'All Class Groups' (which is highlighted with a red box). To the right of these filters is a 'Reset Filters' button. Below the filters, the text 'Sorted by Class Name' is visible. The main part of the interface is a table with the following columns: 'Class Name', 'Grade', 'Class Group', 'Subjects', 'No. Of Students', 'No. Of Teachers', and 'Action'. The table contains 10 rows of data. At the bottom right of the table area, it says 'Showing 10 Items' with navigation arrows. The footer includes the 'My Second Teacher' logo and the text '© 2023 MySecondTeacher. Privacy Policy'.
